How long have you been a VIP Subscriber?

I believe we’ve been VIP Subscribers for about 28 years.

What was the first show you saw as a VIP Subscriber?

We believe it was *That 70’s Disaster Show*.

What was your favourite show you’ve ever seen at Jubilations?

British Invasion and *Michael Jackson is Back From the Future* stand out as our favourite shows to date.

Do you have a favourite character server that stands out?

I believe her name is Ashley and she hasn’t been there for about two years, but she was a blast. We had her as our server four out of five shows that season.

What’s your favourite perk of being a VIP Subscriber?

The complimentary entrée upgrade voucher for prime rib, and the \$20 beverage voucher is a nice touch as well.

What show/theme would you like to see in the future at Jubilations?

We’d really love a newer country themed show!
