

THE CREDITS

MAT ANDRÉ
as JACK SPARROW

Oi! Welcome aboard the Black Pearl! Many thanks for joining us on our high-seas adventures and for supporting live theatre! This one goes out to my beautiful wife, Talaedra, who was supposed to be in this show, but is instead at home, pregnant with our first child! Enjoy the show, and join me LIVE every week for more art, music, and scallywag shenanigans at [YouTube.com/@Mat-Andre](https://www.youtube.com/@Mat-Andre).

SHELLEY CUNNINGHAM
as RED BEARD/BRANDY

Shelley is excited to be back on stage in this exciting swashbuckling adventure! This old salt has been working on getting her sea legs back after taking some time for other adventures, but she's been sailing this sea on and off since the year 2000. You may remember her most recent voyage as Elton

John's Gran (or Billy Joel's girlfriend - wink). But now she's ready to don her beard and sail with the infamous Captain Jack Sparrow. So thank you for joining us on the briny deep and, as they say, "May all your landfalls be expected!"

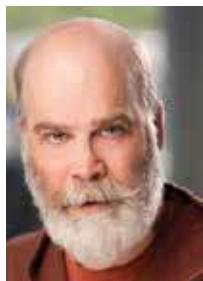

HOPE CLARKIN
as LADY ELIZABETH

Hope wants to welcome you, one and all, to our fierce and exciting production of *Pirates of the River Saskatchewan!* Hope is very excited to be back after a 15 month contract at Universal Studios Beijing. She was last seen on the Jubilations Dinner Theatre stage as The Woman in Black in *Jukebox Heaven: Legends Live Forever* in Edmonton. She hopes you enjoy your evening filled with great music, fun laughs and much more! Enjoy the show!

DARIAN AMES as WILL DAWSON

Ahoy there me hearties! Darian is very excited to be back on the Jubilations Dinner Theatre stage as Will in *Pirates of the River Saskatchewan!* He just recently finished his run of *Jukebox Heaven: Legends Live Forever* in Edmonton after returning from a 15 month contract at Universal Studios Beijing. He would like to thank the incredible creative team involved in putting the show together and he hopes you have an incredible time enjoying it.

LEN HARVEY
as COMMODORE/LIMPY

Len is delighted to be back at Jubilations Dinner Theatre for his sixteenth show (his first role as a pirate) fulfilling a lifelong dream since reading *Treasure Island*. Grateful for the opportunity to take on more iconic character tropes, Len relishes the chance to sail the seven seas between Calgary and Edmonton with *Pirates of the River Saskatchewan*. Other iconic roles Len's had the pleasure of playing recently were the characters of The Janitor and Principal Keens in *More Greased* last year, Dwight Schrute in *The Office: A Pop Rock Parody*, Michael the Narrator in *Old Time Rock 'N Roll* and Pavlo in *Summer Of '69*. Between Jubilations shows, Len filmed two movies in his home city of Vancouver. One a short film parody of Homer's epic poem *The Odyssey* called *Omer's Odyssey* as well as an untitled feature film by filmmaker Rob Grant in which Len stars, due to be released in 2026.
